

What not to bring

- **Do not bring more than you need.** Remember you'll need to take all it home again.
- **Do not bring disposable vapes.** They pollute the environment and can be hazardous at waste centres.
- **Don't bring gazebos.**
- **Only food and alcohol for personal consumption can be brought onsite.**
- **Do not bring any knives.**
- **Do not bring anything made of glass.** All glass will be confiscated if found, including perfume and mirrors.
- **Do not bring excess packaging.** If you purchase something new, please remove all the excess packing at home, before you arrive.
- **Do not bring any glitter** (even the biodegradable kind breakdown into micro-plastics and are problematic environmental pollutants).
- **Please avoid the use of disposable wipes.** Wipes – even biodegradable wipes, which quickly breakdown into micro-plastics – are problematic environmental pollutants. Plant fibre-based biodegradable wipes release greenhouse gases when they decompose, so we would like people to really try to use alternatives.
- **You may be searched** at the entrance for any items that may be used in an illegal or offensive manner – which will be confiscated. Persons suspected of carrying out illegal and/or offensive activities onsite may also be searched and face eviction.
NB: Confiscated items will NOT be returned.

Please DO NOT bring any of these prohibited items:

- No portable laser equipment or pens are permitted.
- No knives.
- No animals (except registered guide dogs).
- No sound systems or drums.
- No generators.
- No sky lanterns, kites, fireworks, flares of any type or wax candles.
- No portable toilets.
- No illegal drugs.

Please note:

- Persons using fireworks will be evicted from site and materials confiscated.
- No unauthorised tape recorders, professional film or video equipment are allowed onsite. Cameras for personal use are welcome.
- Flying or filming with Unmanned Aerial Vehicles (UAVs, or so-called drones) is not allowed on site before, during or after the Festival – and is prohibited by law. We have a working site and the safety of our audience, crew and staff is paramount.
